Motor Carriers—Continued
Commercial Zones. Laredo, Texas, and Nuevo Laredo, Mex., Rio Grande River 829
Minneapolis-St. Paul, Minn. 827
St. Louis, Mo.-East St. Louis, Ill. 703
Commodity descriptions, restrictions in applications, guidelines .. 293
Common Carriers. Compensation is an essential element in the term "common carrier by motor vehicle" 702
Leasing of equipment by one corporation for joint utilization by it and two other corporations, all three owned by same individual, is for-hire carriage "performed by each for the other with the mutual reimbursement of expense as the compensation" 702
"Logistics and Common Carrier Myopia," by Peter S. Douglas 720
Peak period test 826
Solicitation is one of the essential hallmarks of for-hire carriage 826
Contract Carriers. Carrier has an obligation to engage in transportation rather than merely holding itself out to transport 828
Exempt Operations 829
Lower rates than existing carriers 110
Malt beverages, prohibition by State Law 828
Revocation, abandonment of operations 828
Control. Alien ownership of United States Carriers 110
Control is specifically defined to include the power to control and it is irrelevant whether it is exercised or not 828
Cost formula publication (highway form B), revisions issued for 308
Cost study of general commodity carriers 309
Court overturns Civil Aeronautics Board order authorizing four long-haul carriers to act as air freight forwarders 676
Duty of Carriers. Certificates do not specify all of the order, requirements, rules, regulations, and provisions of the Act with which a motor carrier is required to conform, or practices in which it may not engage 827
Equipment, furnishing. Peak period test 826
Exemptions. Agricultural commodities 496
Contract carriers, exempt commodities in backhaul operations 829
Existing Carriers. Supreme Court rules that Commission need not give existing motor carriers opportunity to correct their service before granting additional authority 691
Fitness. Application denied, proceeding held open for one year to comply with Commission's safety regulations 294
General Rate Increases 730
Insurance. Cargo, notice of proposed rulemaking 833
"Interstate Commerce Commission Rate Regulation and Rail-Motor Carrier Pricing Behavior: A Reappraisal," by Bernard J. McCarney 707
Interstate Highway System. Proposed changes in certification requirements and procedures will require further investigation 844
Leasing. Joint leasing of motor vehicles for use by one shipper on its outbound movement and by 24 other shippers on inbound movements of their products constituted for-hire and not private carriage 826
Leasing of equipment by one corporation for joint utilization by it and two other corporations, all three owned by same individual, is for-hire carriage "performed by each for the other with the mutual reimbursement of expense as the compensation 702
Leasing rules regarding contracts and safety inspections, revised 714
More specific ownership data to be required of carriers reporting to Commission 490, 506
